

# Hospital and Emergency Department Referrals to

# BCCFH

Baltimore Convention Center Field Hospital

## Hospital level care for COVID+

Referrals are accepted 24 hours/day, 7 days/week

**To refer, call (410) 328-1234**

- Ability for daily blood work, oxygen up to 4L, and intermittent IV medications
- Physical therapy available (must have AM PAC basic mobility score >13)

### Refer here first any inpatient or ED patient who:

- Is COVID+ and requires medical care or observation
- Has multiple co-morbidities or is recovering from recent lengthy hospital stay, that predicts a poor outcome from COVID and would benefit from medical observation
- Needs supplemental oxygen up to 4L, lab monitoring, intermittent IV medication administration, or physical therapy

←or→

## Triage, Respite, and Isolation (TRI) Center at the Lord Baltimore

## Hotel with private rooms for isolation and quarantine
